**H-Source Selected as One of the Top 20 Most Innovative Public Companies by  
Canadian Innovative Exchange**

VANCOUVER, BRITISH COLUMBIA – November 17, 2016 – H-Source Holdings Ltd. (TSXV: HSI; OTCQB: HSCHF) (the “**Company**” or “**H-Source**”), the leading trusted marketplace for hospitals to buy, sell and transfer excess inventory supplies and capital equipment with each other, is pleased to announce its selection by the Canadian Innovation Exchange (the “CIX”) as one of 2016’s twenty most innovative public companies.

H-Source will be presenting at the CIX Public Investor Day on November 23<sup>rd</sup>, 2016 at 4:00 PM EST at the MaRS Discovery District in Toronto.

“Our team is honoured to have been selected by the CIX and it is a testament to our innovative platform,” stated John Kupice, Chief Executive Officer and Director. “H-Source transactional marketplace is designed to reduce health care costs and medical product waste by allowing hospitals to buy, sell and transfer excess inventory and capital equipment with each other. Our solution addresses what we estimate as an \$8 billion a year problem in the U.S. alone. We continue to onboard new hospitals as they discover both the cost savings and environmental benefits of our platform.”

The CIX is a leading technology innovation forum where investors, innovative companies, entrepreneurs and facilitators converge to drive economic growth and accelerate the development and implementation of new ideas. The CIX Public Investors Top 20 is a unique program designed to showcase Canada’s hottest and most innovative public technology companies, selected based on their innovations. The selection committee review all small and midcap public tech companies in Canada and rate them based on Business Model, Depth of Management, Market Opportunity, and Quality of Product/Service Offering
